

Good Morning Spartan Students and Families,

Welcome to the 2020-2021 ENHS Spartan School Year. I hope that all of you have had a great summer. Today is our first day of 'school'. I know that it is not the start that you envisioned when we left school last June. I can only express my deep regret that this will be our path for a while until we wait for our wonderful school to reopen and we can all be together again.

I want to tell how proud I am of all of you. This situation is beyond your and actually all of our controls. During this time of distance learning let's work on thinking that we are at 'school'. Remember to 'Be Kind, Be on Time, and Ask for help". Also let's make sure that we are dressed appropriately, be respectful, and engaged in your virtual classes. I know that you will encounter issues with logging on, getting your zoom and google links, and even figuring out the various platforms that we are asking you to engage. WE WILL GO SLOW. We will be compassionate, understanding, and guide you. I want you to RELAX and know that we will take our time. Our Spartan staff is here to help, but know that this is new to us as well. We are in this together.

So this morning, the goal is to get you into your 1<sup>st</sup> Period Zoom class. If you can't then we will try again tomorrow. And we will keep trying until we figure it out.

Please go to our ENHS website: [ENHS Website](#)

Look for this **box Distance Learning Portal**: [ENHS Distance Learning Portal](#)

Here you will see subject areas. Find your first period teachers name and click on their name. You will find zoom and google class links. In time this will be much easier. I would suggest bookmarking both of these pages for future reference.

Here is a link to our weekly schedule and today's schedule.

Wednesday: [Wednesday Schedule](#)

Weekly: [Weekly Schedule](#)

I hope that you have the best first day possible. Hang in there, know that we are all thinking about ya', and that YOU are the reason that we love our jobs.

I will be delivering emails quite often so please check your emails daily.

**IT'S A GREAT DAY TO BE A SPARTAN**

Mr. Beebe
